Ex Games Series

The story begins with Olivia and Blake, two former lovers whose breakup was anything but amicable. Years after their painful separation, fate throws them back together in a twist of circumstances neither could have predicted. To make matters even more complicated, they find themselves on opposing sides of a high-stakes competition – a series of "ex games" designed to prove who has moved on more successfully. What starts as a petty, revenge-fueled contest soon evolves into something far more profound. As the games progress, old wounds are reopened, long-buried secrets surface, and undeniable sparks reignite.

Throughout the series, readers are treated to a roller-coaster of emotions. There are laugh-out-loud moments of banter, tense scenes of jealousy, and tender instances of vulnerability that make Blake and Olivia feel incredibly real. The supporting cast – including quirky friends, meddling family members, and other exes – adds layers of humor and drama that enrich the main storyline. Each book in the boxed set builds upon the last, deepening the emotional stakes and leading to a satisfying conclusion that romance readers will adore.

Key Characters

You Will Fall in Love With

Olivia is a strong, independent woman who refuses to be defined by her past relationship. She is smart, witty, and fiercely loyal, but she also harbors insecurities that make her relatable. Blake, on the other hand, is the quintessential alpha male with a soft core. He is successful, charming, and used to getting what he wants, yet he struggles with his own demons and regrets. their interactions crackle with tension – both romantic and competitive.

Supporting characters include Olivia's best friend, who provides comic relief and sage advice, and Blake's brother, whose own romantic entanglements add subplots that enhance the main narrative.
